

We look forward to greeting you personally at our many programs and activities. In the meantime, we invite you to visit inpaws.org to explore all that we do and the many resources available through INPAWS. We think you'll enjoy helping us conserve and enhance Indiana's rich natural heritage. Glad to have you join us.

has purchased a gift membership for your youth organization. You will receive monthly updates on our activities, plus our quarterly INPAWS Journal, and your leaders can register for our Annual Conference at a reduced price.

Welcome to the
Indiana Native Plant & Wildflower Society
